Dutch lessons (NT2) in small groups for high-educated students in Rotterdam - Program Fall 2021

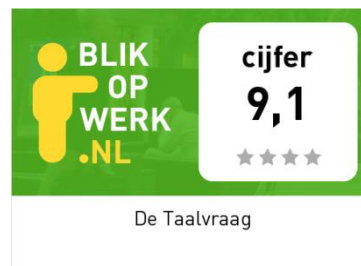

Er is ook een folder in het Nederlands.

New website: <https://detaalvraag.nl/nl/home/>

We teach Dutch lessons at all language levels: from Beginners to C1, KNM, ONA, AKV, 'Staatsexamen 1 and 2' and 'Inburgeringsexamen' (Integration exams).

As an educational author, Marilene has also been writing instruction methods for teaching Dutch as a second language for 32 years. (with more than half a million books sold!)

A loan from DUO is possible!

Students rated De Taalvraag in 2017, 2018, 2019 and 2020 with an average of 9.1 (out of 10) in an independent research.

We have a 99% success rate in 2020 over 108 partial official exams on level A2, B1 or B2.

We teach Dutch lessons in small groups and private lessons (1-8 in physical classes).

The student signs up for a course in this period and can then decide to continue or not.

All new students get a free intake with tests.

The first lesson is a paid trial lesson.

What makes De Taalvraag special?

Many of our students take the Dutch 'Staatsexamen' (The 'state exam', an official exam at B1 or B2 level), of 90% passed the exams after a positive advice. Nationwide it is around 70%. (Source: https://www.staatsexamensnt2.nl/item/uitslag_en_diploma).

The lessons are in small groups. So, there is a lot of attention.

Teacher Ruth Hoornveld Lesson with social distancing

Method and support:

In the lessons we practice a lot of speaking. You get homework (a couple of hours a week) for reading, writing and vocabulary which will be discussed in the lesson. After each chapter of the book there will be a test. Halfway and at the end of the course there will be level tests and practice exams. At the beginning, halfway and at the end of the course there will be an individual conversation with the teacher about the course.

Online and/or on Location in Rotterdam?

Starting from Jan. 2021 we have been teaching online due to the corona crisis. Since June, we are also teaching physically on location. Naturally, we will take all the necessary precautions. We now offer two different possibilities:

1. Courses that are taught on location (marked **green** on the schedule) except for a lockdown.
2. Courses with up to half of classes online (marked **yellow**) and the rest on location (marked **green**).

If you do not want to follow any classes online, you cannot follow any courses. The situation in relation to Covid-19 is subject to continuous change.

If there is a class on location, occasionally you may follow the class online (no feedback). This will make it a hybrid class.

Note: We do not give laptops or other presents with the payment of DUO. This is corruption. The school can lose its quality label (Blik op Werk). See
