Students in (day course) can practise with a free language coach.

Method and support:

The student signs up for a course in this period and can thand decide to continue or not. All new students get a free intake with tests. In the lessons we practise a lot of speaking. You get homework (10-20 hours a week) for reading, writing and vocabulary which will be discussed in the lesson. After each two chapters of the book there will be a test. At the end of the course there will be level tests and practice exams. At the beginning, halfway and at the end of the course there will be an individual conversation with the teacher about the course.
